

Horton Village Hall

Important Information

Energy Use

The cost of heating and lighting is included in the Hall's hire charge, but we ask all users to be as economic as possible with the use of hall lighting and air conditioning.

Use what you need, but not more than you need.

Main Hall Floor

The flooring in the main Hall is wooden and to maintain the surface finish we would appreciate if you could co-operate by not allowing shoes with "stiletto" heels to be worn in the main Hall.

Clearing Up and Damage

It is your responsibility to leave the hall in a clean and tidy condition after use. All damage to the Hall incurred during your occupancy must be reported to the Booking Secretary and the Village Hall Committee may ask you to pay for any necessary cleaning or repair costs.

Entering and Leaving Village Hall.

To show consideration to those living nearby please enter and leave the Hall as quietly as you can, especially after dark.

Ensure the building is secure
